Chairman-Angie Alley

Vice-Chairman- Betty Dougherty

Secretary- Linda Cooke

1-AGING

Bay Aging is the premier provider of programs and services for people of all ages. Formed in 1978, Bay Aging serves a predominately rural 2,600 square mile region that encompasses ten counties and 2 planning districts. Bay Aging is extremely diverse in the programs it offers through 3 major divisions- Community Living, Bay Transit, and Bay Family Housing. www.bayaging.org Ph. 800-693-6109.

2-BENEFIT PROGRAMS

These programs that the local Department of Social Services offers are designed to help people overcome poverty and to shape strong futures for themselves and their families. For more information or to apply visit www.commonhelp.virginia.gov or www.dss.virginia.gov King and Queen Department of Social Services Office hours 9am to 5pm. Ph. 804-785-5977.

Supplemental Nutrition Assistance Program (SNAP) is available to supplement lower income families with resources to purchase food.

General Relief/Unattached Child Program: This is a limited financial program that assists non-relatives responsible for a minor child.

Energy Assistance: Assistance for low income families/citizens is offered to offset energy costs and provide equipment related assistance, security deposits, and emergency shelter.

Medicaid: Health and medical care costs are paid for individuals meeting specified criteria for covered groups. www.medicaid.gov

Temporary Assistance to Needy Families (TANF): Aid is extended to children and their families who meet criteria for the program.

VIEW (Virginia Initiative for Employment not Welfare) Program: The Department assists and prepares TANF recipients for gainful employment.

Child Care Services: Subsidies are provided to low income parents for quality child care with licensed and certified child care vendors.

Fraud Referrals and Collections: The Department investigates reports of program violations.

Head Start Program is a federally funded, comprehensive early childhood education program that serves income eligible preschool children and their families. Services focus on individualized preschool education and school readiness, social and emotional development, dental, physical, mental health and nutrition. 702 Main Street West Point, Va. Ph. 804-843-2289 Fax 804-843-2308. www.pcdcvva.org

Middle Peninsula Northern Neck Community Services Board offers family education programs that feature highly interactive and informative classes that help parents become more effective. Some classes include a children's component that teaches new skills to youngsters. www.mpnnscsb.org

Parent Child Development Corporation (PCDC) is a charitable, community-based agency serving young children and their families. Its primary focus is on education and family support. PCDC directs the Head Start Program. www.pcdcvva.org. 702 Main Street West Point, Va. Ph. 804-843-2298 Fax 804-843-2308.

Resource Mothers Program is a program designed to decrease infant mortality and low birth weight rates among Virginia's teen mothers. The resource mother is a community health worker who develops a supportive mentoring relationship with the teen and her family. From the prenatal period through the infant's first birthday, the resource mother provides health education, discusses ways to improve infant

injury, and models daily living skills, encourages constructive decision making and life-planning , connects the teen to the community resources, and provides guidance to assist the teen in making a successful transition to parenthood. The resource mother has a weekly contact with the teen and her family. Any pregnant teen is eligible for the program. Email Carolyn.richards@vdh.virginia.gov phone 804-333-4043.

Rural Infant Services Program (RISP) provides developmental and therapeutic services for infants and toddlers with special needs. RISP is a program of the Middle Peninsula-Northern Neck Community Services Board and has been providing services to children and families since 1983. The mission of RISP is to reach children with special needs at the earliest time possible and to help each child reach his or her full potential. P.O. Box 40 Saluda, Va. 23149 Ph. 800-305-2229 Fax 804-758-5183.

The Nurturing Parenting Programs (Parents Only) are a family-centered trauma-informed initiative designed to build nurturing parenting skills as an alternative to abusive and neglecting parenting and child-rearing practices. The long term goals are to prevent relapse in families receiving social services, lower the rate of multiparent teenage pregnancies, reduce the rate of juvenile delinquency and alcohol abuse, and stop the intergenerational cycle of child abuse by teaching positive parenting behaviors. The 15-week on-going Nurturing Parent Program takes place year round and parents can enroll in the classes at any time. Pre-registration is required. Cost: \$20 Handbook +\$20 p/p/session (couples \$35 per session.) Call 804-642-5402 or email us at: prevent@mpnn.state.va.us to pre-register or for further information.

www.nurturingparenting.com Locations of program are:

- MPNNCSB MH/SA Clinical Administrative Office, 13794 Tidewater Trail, Saluda, Middlesex County: Tuesdays, 6:30pm-8:30pm.

- King William Counseling Center, 1041 Sharon Road, King William, Va. Mondays 6:30pm-8:30pm.

15-PREVENTATIVE SERVICES

King William Lions Club branch club began in May of 2014 with a mission to have all children vision ready before entering kindergarten. This goal is fulfilled by offering free vision screenings, as well as hearing screenings, to area children. Our focus is children up to 6 years old, but we have offered many services to children through high school. kingwilliamlionsclub@gmail.com

Middle Peninsula Northern Neck Community Services Board offers the **Coalition Outreach program** which the primary goal is to help people become involved in making their communities and neighborhoods healthier, safer, and more positive places to live and work. Ph. 804-758-9398.

www.mpnncsb.org

- **School –Based Prevention** programs teach a wide range of social skills that promote positive youth development and occur in classroom settings with large groups of students. Upon request, we also offer after-school programs.
- **Peer Mediation** in middle and high school settings located within the ten-county area is very effective in helping students learn to more constructively resolve their conflicts. Prevention Services staff train youth to become peer mediators in a 2 day sessions sponsored by middle schools.
- **Life Skills** training helps students develop a positive self-image by assisting them in managing stress, expressing their emotions positively, thinking clearly, and making informed decisions.
- **Second Step** is geared for students in preschool through ninth grade, the Second Step program teaches children how to manage emotions, resist impulsive behavior, solve problems, and understand the consequences of their actions.
- **Smoke Free-That’s Me** program is to prevent fourth and fifth graders from starting to use tobacco by educating them about their lungs, social pressures to use tobacco, and how to say “no” to tobacco.
- **All Stars** school or community based program aims to prevent or delay the onset of high-risk behaviors in middle school students, ages 11-14. The All Stars program fosters the development of positive personal characteristics and covers information about youth substance use, violence, and premature sexual activity.

16-SHERIFF’S DEPARTMENT

Sheriff John Charboneau 242 Allen’s Circle King and Queen Courthouse, Va. 23085 Non-emergency phone 804-785-7400. www.kingandqueenco.net

17-SUPPORT GROUPS

Middle Peninsula Northern Neck Community Services Board Prevention Services offers school-based prevention programs that teach a wide range of social skills that promote positive youth development and occur in classroom settings with large groups of students. We also serve students in private and home-based schools. More information can be obtained on any of the programs listed below at 804-758-9398. www.mpnncsb.org

Child Assault Prevention Program is a program that seeks to end the sexual victimization of young people through the education of elementary school children, as well as adults, in their communities. This is a 75-minute workshop focuses on children’s problem-solving abilities to help them identify and defuse potentially dangerous situations.

Project Northland is a program designed to delay the age at which young people begin drinking and to reduce alcohol use among young people who have already started drinking. Preventing the early use of alcohol also reduces the likelihood that teens will not use illegal drugs.

Project TNT (Towards no Tobacco Use), a classroom-based curriculum, aims to prevent or reduce tobacco use by students ages 10-15. Delivered in ten core and two booster lessons, this program helps

young people resist tobacco use, identify how advertisers and the media influence the use of tobacco products, and identify methods for building self-esteem.

18-TRANSPORTATION ASSISTANCE

Bay Transit Transportation a program of Bay Aging provides regional public and specialized transportation services to the residents of the Middle Peninsula and Northern Neck. Most destinations are \$2.00 per trip. Hours of Operations: 6:00AM-6:00PM Monday-Friday. Ph. 877-869-6046
