Owner: I have read this completed application, understand its content, and freely consent to it's filing. Furthermore, I grant permission to the Zoning Administrator and the other County Officials to enter the property and make such investigations and tests as they deem necessary. I understand that work must commence within 180 days of approval, if approved.

Owner's Signature: _____ Date: _____

King & Queen County Floodplain Development Application

Site Sketch:

Please provide a site sketch below identifying the location of the proposed work on the property (this site sketch is only required if a zoning site sketch has not been submitted, identifying the location and nature of the proposed construction/work). *For Example, if you are applying for a generator or gas tank installation in the floodplain, you must identify the proposed location of the generator and gas tank in the site sketch below. If work is solely within the existing structure, a site sketch is not required.*
